

## Rates for Savings and Checking Accounts

“Our Rates & Service Charges” explains current terms, rates and service charges applicable to the Savings, Checking, and Certificate Accounts we offer at this time. We may offer other rates and require other service charges or amend the rates and service charges, as explained in this disclosure, from time to time. Each owner on an account agrees to the terms described in this disclosure and acknowledges that it is a part of the Member Service Agreement (MSA).

Effective Date	Dividend/ Interest Rate	Annual Percentage Yield	Minimum Opening Balance	Min. Required Balance for Dividends/Interest	Dividend Period/ Dividends Compounded & Credited

### Important Notes

As of July 1, 2016, we no longer offer the **Plus Checking** or **Premier Checking** accounts. For information and assistance regarding the existing Plus Checking and Premier Checking accounts you have with us, please see our Member Service team.

As of February 25, 2019, we no longer offer the **Basic Checking**, **MyLife Earns Interest Checking** or **MyLife My Way Checking** accounts. For information and assistance regarding the existing Basic Checking, MyLife Earns Interest Checking and MyLife My Way Checking accounts you have with us, please see our Member Service team.

\* To qualify for the cash back benefits of the **MyLife Gets CA\$H Back Checking** account, you must meet the following account qualifications for each cycle: 1) At least 20 debit card purchase transactions must post to your **MyLife Gets CA\$H Back Checking** account during the statement cycle. 2) The account must be using the e-statement method of statement delivery. Only one (1) **MyLife Gets CA\$H Back Checking** account per social security number is allowed with the Credit Union. You may however take advantage of other MyLife Checking account types in conjunction with the **MyLife Gets CA\$H Back account**.

\*\*To qualify for the **MyLife Gets Interest Checking** account you must have automatic payments or direct deposit set up.

\*\*\* **MyLife Savings** accounts must meet the following account qualifications to earn the qualifying dividend rate and APY for a cycle: 1) At least 20 debit card purchase transactions must post to your MyLife Checking account you have with us during the statement cycle. 2) The account must be using the e-statement method of statement delivery. Only one (1) **MyLife Savings account** per social security number is allowed with the Credit Union.

\*Minimum opening balance and minimum required balance for interest for minors is \$100.

## Explanation of Rates & Service Charges

As explained in the MSA, "Our Rates & Service Charges" applies to all the accounts we offer. Except as specifically described, the following terms apply to all of the accounts you have with us.

### 1. Rate Information

The Dividend Rate and Annual Percentage Yield on the accounts you have with us are identified above. For all accounts except certificates, the Dividend or Interest Rate and Annual Percentage Yield may change at any time as determined by the Board of Directors. High Yield and IRA accounts are Tiered Rate accounts. For these accounts, if the balance falls within the range for a particular tier, the interest rate applicable to that tier will apply to the full balance in the account. MyLife Savings accounts are Tiered Rate accounts. For MyLife Savings accounts, the specified rate for a tier will apply only to the portion of the account balance that is within that tier. The annual percentage yields, which vary depending on the balance in the account, are shown for each tier. If the account qualifications (as set forth below) for any monthly qualification cycle are not met, the non-qualifying rate will apply to the balance in the account for that cycle. If qualifications are met for a qualification cycle, the applicable qualifying rate will apply to the balance in the account for that cycle.

For Certificate Accounts, the Interest Rate and Annual Percentage Yield are fixed and will be in effect for the term of the account. For Certificate accounts, the Annual Percentage Yield is based on an assumption that interest will remain on deposit until maturity. A withdrawal of interest will reduce earnings.

### 2. Nature of Dividends

Savings, Checking, and Club Accounts are dividend bearing accounts. For these accounts, Dividends are paid from current income and available earnings after required transfers to reserves at the end of a dividend period.

### 3. Compounding and Crediting

Dividends will be compounded and credited as identified above. For dividend bearing accounts, the Dividend Period begins on the first calendar day of the period and ends on the last calendar day of the period.

### 4. Accrual of Dividends

Dividends will begin to accrue on noncash deposits (e.g., checks) on the business day you make the deposit to an account you have with us. If you terminate the account before accrued dividends are credited, accrued dividends will not be paid.

### 5. Balance Information

The minimum balance required to open each account and earn the stated Annual Percentage Yield is identified above. If you do not maintain the minimum balance, you will not earn the stated Annual Percentage Yield. Dividends or interest are calculated by using the Daily Balance method, which applies a periodic rate to the balance in the account each day.

### 6. Account Limitations

You may make unlimited withdrawals from the checking account(s) you have with us by any method we allow. In addition, you may make unlimited withdrawals or transfers from Christmas Club and High Yield Savings account(s) in-person, by ATM, by mail request or by calling us for one of our checks.

### 7. Certificate Account Features

#### a. Account Limitations

After you start the account, you may not make additional deposits to a Certificate Account.

#### b. Maturity

The Certificate Account you have with us will mature on the maturity date identified on your Account Receipt or Renewal Notice.

#### c. Early Withdrawal Penalty

We may impose a penalty if you withdraw any of the principal of the Certificate Account before the maturity date.

**(1) Amount of Penalty.** The amount of the early withdrawal penalty depends on the term of the certificate. The penalty will equal the specified number of days' interest on the funds withdrawn as follows:

<u>Term</u>	<u>Penalty</u>
less than 12 months	30 days
12 months - 17 months	60 days
18 months - 23 months	90 days
24 months - 35 months	120 days
36 months - 47 months	180 days
48 months or greater	365 days

**(2) How the Penalty Works.** The penalty is calculated as a forfeiture of part of the interest that has been or would be earned at the nominal interest rate on the account. It applies whether or not the interest has been earned. In other words, if the account has not yet earned enough interest or if the interest has already been paid, the penalty will be deducted from the principal.

**(3) Exceptions to Early Withdrawal Penalties.** At our option, we may pay the account before maturity without imposing an early withdrawal penalty under the following circumstances: when an account owner dies or is determined legally incompetent by a court or other body of competent jurisdiction.

**d. Renewal Policy.** Certificate accounts are automatically renewable accounts. Automatically renewable accounts will renew for another term upon maturity. You have a grace period of seven (7) calendar days after maturity in which to withdraw funds in the account without being charged an early withdrawal penalty.

**e. Nontransferable/Nonnegotiable.** The account(s) you have with us is/are nontransferable and nonnegotiable. This means that an account and the funds in the account may not be pledged to secure any obligation of an owner, except obligations with the Credit Union.

### 8. MyLife Account Features

The following features are unique to MyLife accounts:

**a. Account Limitations.** MyLife Savings accounts require participation in a MyLife Checking account. Participation in the Debit Card Purchase Round Up is optional.

#### b. Account Qualifications

In order to earn the Qualifying Rate for the qualification cycle and to qualify for additional benefits as described herein for a particular qualification cycle, MyLife accounts must satisfy the following requirements: 1) a minimum of 20 debit card purchases post to your MyLife checking account; and 2) you receive monthly e-Statements for the account; Please note that the transactions MUST actually post to your account during the monthly qualification cycle. Transactions may take one or more banking days from the date the transaction was made to post to your account. Transactions that have been initiated but not posted as of the end of the cycle will not count as a qualifying transaction for that cycle (but will count in the following cycle when they post). A monthly qualification cycle begins on the first day of the statement cycle and ends on the last day of the statement cycle.

**c. ATM Fee Rebates**

For existing MyLife My Way checking accounts, if you have met your qualifications during the Monthly Qualification Cycle, we will reimburse you for ATM fees imposed during the Monthly Qualification Cycle by our institution and other U.S. financial institutions. The maximum ATM fee rebate is \$10 for one qualification cycle. ATM fee rebates will be credited to your MyLife My Way account. If you believe that you have not been reimbursed the correct amount, please contact us. We must hear from you no later than 30 days after the statement cycle when the reimbursement was applicable.

**d. Debit Card Purchase Roundup**

If you choose this feature, any debit card purchase transaction will be rounded up to the next whole dollar amount. The difference between that amount and the transaction amount will be combined with any other rounded debit card purchases transferred to your MyLife Savings account as a single transaction at the end of each day.

**e. MyLife Gets CASH Back Checking**

If the MyLife Gets CASH Back Checking Account qualifications listed above are met for a Monthly Qualification cycle, you will receive a credit of 1.0% of the amount of debit card purchases posted to your MyLife Gets CASH Back Checking account during that cycle, up to a maximum of \$10 per Monthly Qualification Cycle.
